VINAYAK FOOD AND DAIRY INDUSTRIES

Welcome to the world of ***Vinayak Food and Dairy Industries!*** Our mission is grounded in a strong commitment to integrity, quality, and value creation for our clients. We strive to deliver top-quality products, such as pure cow ghee, that meet global standards. The pursuit of excellence guides us in everything we do. We are dedicated to quality, innovation, and product excellence—principles we uphold and continually work to enhance. This dedication has earned us the trust and loyalty of our valued clients.

Vinayak Food and Dairy Industries stands out as a prominent manufacturer of dairy products in India. We have a well-established retail presence, providing dairy products with nationwide marketing, sales, and distribution. As a preferred supplier for bulk customers, including large institutions, we ensure quality and reliability. Our facilities utilize cutting-edge technology, and our products meet international quality standards. Our products are marketed under the brand name VDI Dairy Star, which is a trusted household brand in India.
